Candidates must complete a minimum of 30 hours per week or a minimum of 90 hours over the three-week practicum.

The teacher candidate performed the following tasks, duties, and activities during the placement:

The candidate was involved in school program observation, science program delivery and unit planning. She demonstrated a high degree of independence which was very much appreciated, and a willingness to work with a variety of age groups through her brief tenure here. Her demeanour was both professional and relaxed, and she fit into the ambience of a multitasking environment very well.

Further Comments:

Attach additional sheet(s) if necessary

Natalie was also very strategic in the deployment of her time and resources. Her ability to prioritize her planning and her acceptance of suggestions for her unit plan made working with Natalie both easy and a pleasure.

Merci Natalie!
